Dear Interested Citizen:

Enclosed you will find for your review a draft environmental assessment (EA) for a proposal for Montana Fish, Wildlife & Parks (FWP) to issue a roadside menagerie license to Salima Witt (to be located at 613 Lake Como Road, Darby, Ravalli County, Montana). The license would be for the purpose of housing exotic species of wildlife (2 monkeys and 1 macaque) at that location.

A copy of the EA may also be obtained by mail from Region 2 FWP, 3201 Spurgin Rd., Missoula 59804; by phoning 406-542-5540; by emailing shrose@mt.gov; or by viewing FWP's internet website <http://fwp.mt.gov> ("Public Notices" under "News"). Comments should be addressed to Sharon Rose at the previous address, email, or phone number. Comments must be received by FWP no later than 5:00 p.m. on May 4, 2012.

As part of the decision making process under MEPA, I plan to issue a decision notice for this proposal to issue the roadside menagerie license, soon after the completion of the Draft EA's public review period.

Sincerely,

A handwritten signature in black ink that reads "Mack Long". The signature is fluid and cursive, with the first name "Mack" and last name "Long" clearly distinguishable.
